Spa Limo (up to 6 passengers)

Enjoy true indulgence by traveling in these elegant stretch limousines with spa treats included. All vehicles are fitted with a wet bar and CD/radio/DVD entertainment system. For the purpose of allowing privacy, dividers have been fitted between the driver's seat and the passenger area, while an intercom system allows for driver/passenger interaction. Passengers can control their own air conditioning to travel at their desired comfort level. The stretch limousine will hold approximately two sets of golf clubs and three pieces of luggage.

Round Trip from Las Vegas: \$869

Options: Add Spa lunches for your return to Las Vegas: \$15 per person

Spa Limo Coach (up to 18 passengers)

A Red Mountain Spa Massage therapist will join you for your arrival trip offering mini treatments, snacks and beverages while passengers enjoy traveling in this luxuriously appointed limousine-coach. This vehicle comes equipped with leather seats, a wet bar, two TV screens, DVD and VHS players, radio, neon lights and a public announcement system. Passengers can control their own air conditioning to travel at their preferred comfort level.

Round Trip from Las Vegas: \$1,679

Options: Add Spa lunches for your return to Las Vegas: \$15 per person

Expanded Spa Limo Coach (groups from 19 – 27 passengers)

A spacious and luxuriously appointed limousine-coach provides comfort while a Red Mountain Spa Therapist joins you for your arrival journey, offering mini treatments and healthy snacks and beverages. This vehicle comes equipped with leather seats, a wet bar, two TV screens, DVD and VHS players, radio, neon lights and a public announcement system. Passengers can control their own air conditioning to travel at their preferred comfort level. This is the ultimate vehicle to travel in style and luxury.

Round trip from Las Vegas: \$1,779

Options: Add Spa lunches for your return to Las Vegas: \$15 per person

Spa Motor Coach (groups from 28 – 54 passengers)

This luxurious Spa Motor Coach features comfortable reclining seats, each with footrest, headrest and individual armrest for a relaxing journey. Two Red Mountain Spa therapists join you for your arrival trip, offering mini treatments and snacks and beverages to start your spa vacation on your trip through the scenic Mojave Desert. Within their seating space each passenger has a reading light, the ability to control their individual air conditioning and overhead luggage space. The coach is fitted with a state of the art DVD system and seven screens within the coach give an unrestricted view to all passengers. Fully-fitted restroom facilities provide for the ultimate in comfort while traveling, and a Public Announcement system is available for use during guided tours. This motor coach is perfect for picking up larger groups from the airport, as it holds approximately 60 pieces of luggage.
